This is in response to RFAI dated February 9, 2021.

The Committee pays for certain operating costs to provide bona fide services based on an arms-length agreement to candidate committees, and then invoices those candidate committees for their portion of the costs. The Committee then reports receipt of payment of those invoices on Line 15 as offsets to operating expenditures.

Regarding this particular transaction, the Committee invoiced Eastman for Congress for certain operating costs incurred on the campaign?s behalf, specifically payments to GetThru for predictive dialer services. The Committee received payment for those costs through an in-kind contribution of a list from Eastman for Congress, which it reported on Line 15 as an offset.
